1. Introduction and statement of intent

1. As a charitable company limited by guarantee, Frontier Learning Trust (“the Trust”) is governed by a Board of Trustees (the “Trustees”) who are responsible for, and oversee, the management and administration of the Trust and the schools run by the Trust. This Scheme of Delegation applies to all schools (which are legally academy schools) for which the Trust is responsible (the “Schools”). Any reference to “the Schools” in this Scheme of Delegation refers to all the academy schools within the Trust.
2. This Scheme of Delegation explains the ways in which the Trustees fulfil their responsibilities for the leadership and management of the Schools, the respective roles and responsibilities of Members, Trustees, Governors and executive postholders and the commitments to each other to ensure the success of the Trust.
3. This Scheme of Delegation has been approved by the Trustees in accordance with the provisions of the Trust’s Articles of Association (“the Articles”).
4. The Trust believes that:
 - a. Members of the Trust should appoint effective Trustees and hold them to account for the performance of the Trust;
 - b. The Board of Trustees will focus upon:
 - i. Culture of the trust, including learning between schools;
 - ii. Strategy and priorities for the Trust;
 - iii. Policies and procedures that apply across the Trust;
 - iv. Financial and resource management;
 - v. Effectiveness of governance, leadership and performance at Trust schools;
 - vi. Compliance with legal or contractual requirements, including safeguarding, health and safety, equalities, and the approach to risk identification and management.
 - c. A Local Governing Body will focus upon safeguarding, educational provision and performance, operational management, and community engagement at the school that it is responsible for;
 - d. Operational and managerial decisions should be delegated to the CEO/Principal; and
 - e. The CEO/Principal should delegate operational decisions among their staff with a view to keeping decision-making as close as possible to the operational impacts.

2. Scope and Applicability

5. This policy outlines the framework for decision making within the Trust. It applies to all Members, Trustees, Governors, and staff.
6. This document is reviewed annually for approval at the Board meeting in July, with further revisions during an academic year if required.

3. The Articles of Association

7. Appendix One details the relevant articles from the Articles of Association regarding delegations and committees.

4. Responsibilities under the Policy

8. Appendix Four outlines the expectations of Members, Trustees, and Governors.

Members

9. The Members are the guardians of the constitution and charitable object of the Trust. The key roles of the Members are to:

 - Appoint Trustees who have the skills, knowledge and experience to enable the Board to fulfil its obligations effectively, and if necessary remove Trustees, in accordance with the Articles of Association;
 - Hold the Chair of Trustees to account for the performance of the Board (besides the Member who is Chair of Trustees), and expect the Chair to manage the other Trustees effectively;

The Members elect a Chair at each General Meeting (in accordance with Article 25 but who within FLT would not be the Chair of Trustees). If the LGB is unable to recruit parent governors in two consecutive processes of seeking nominations, the Board shall be entitled to appoint individuals in the accordance with Articles 54A and 56.

The following LGB structure will apply:

Woodhouse LGB	<ul style="list-style-type: none">• 1 CEO/Principal (ex-officio)• 2 staff – one teaching and one support staff• 2 parents• 2 students• Up to 5 appointed by the Board• Up to 2 Co-opted by the LGB
Maths School LGB	<ul style="list-style-type: none">• 1 CEO/Principal (ex-officio) (from appointment)• 1 staff (from school opening)• 2 parents (from school opening)• 2 students (from school opening)• Up to 3 appointed by the Board• Up to 2 appointed by Imperial College• Up to 2 Co-opted by the LGB

The LGB expects the Board or Imperial when appointing Governors, and itself when co-opting Governors, to appoint individuals who between them have the following skills / experiences:

- Educational leadership / governance expertise, ideally secondary / post 16 / SEND
- Expertise in other public services delivering to our community (i.e. health, students' services)
- Financial understanding
- Local community knowledge and expertise

This list is not exhaustive. In addition:

- all Governors must demonstrate the attributes outlined in the Person Specification element of the Role Description (set out in Appendix 4); and
- The diversity of the Member, Trustee and LGB boards shall be considered as part of the recruitment process and emphasis shall be given to seek interest from under-represented groups.

Appointment of Governors:

- Headteacher – ex-officio
- Parents: Parent governors shall be appointed by the following process:
 - Seeking nominations from all parents based upon skill sets that the LGB's skills audit and the school improvement plan indicate are most important for effective governance of the school;
 - If there are fewer nominations than vacancies, and if the nominees have appropriate skills sets, the nominees are appointed by the LGB, and the LGB then seeks to appoint additional parents with appropriate skills as parent governors to fill any vacancies (posts can be held vacant until the following term where the LGB considers this appropriate, such as to enable parents of an incoming year group to be eligible);
 - If there are more nominations than vacancies, an election will be held where the parents / carers of each child attending the school on the date that the election starts are entitled to vote (one vote per student) for the shortlisted nominees. The nominee with the largest number of votes will be appointed by the LGB. If there was more than one vacancy this process shall be repeated until all vacancies are filled (i.e. if two vacancies, the two nominees with the most votes shall be appointed).
- Staff and students: The staff and student governors shall be appointed by the following process:
 - Seeking nominations from the respective body, with all students enrolled at or relevant group of staff (being defined based upon the pension scheme that the member of staff would be eligible to join) employed by the Trust at the relevant school on the date of notice seeking nominations eligible to self-nominate;
 - If there are the same number or fewer nomination(s) as there are vacancies, those nominee(s) are appointed by the LGB. If there remains a vacancy due to a lack of nominees, the LGB may approach and, with their consent, appoint an eligible individual;
 - If there are more nominations than vacancies, an election will be held whereby every member of the relevant body of individuals (students or relevant group of staff) enrolled at or employed by the Trust at the school overseen by the LGB on the date that the election starts would be entitled to vote (one vote per individual) for the nominees. The nominee with the largest number of votes will be appointed by the LGB.
- LGB Co-opted: Co-opted by ordinary decision of those Governors who are not themselves co-opted based on the skills / experience that is required by the LGB to ensure its effectiveness.
- Board appointed: Appointed by ordinary resolution of the Board based on the skills / experience that is required by the LGB to ensure its effectiveness.

Term of office:

- Headteacher / Head of School: Ex-officio
- Parent Governors: 2 years
- Staff Governors: 4 years
- Student Governors: 1 year
- LGB Co-opted: LGB to specify a term of not longer than 4 years

- Board or Imperial appointed: 4 years. The Board may remove a 'Board appointed governor' at any time (even during their term of office) if they believe that the person has not adequately fulfilled the role of Governor. Likewise, Imperial may remove a Governor who it appointed.

All Governors will be eligible for re-election or re-appointment, although it is expected that Governors would not serve more than the equivalent of three full terms (12 years) other than in exceptional circumstances specifically approved by the Trustees. An LGB may decide to appoint a former parent Governor as a Community Governor if they have a vacancy at the appropriate time.

All Governors must comply with the provisions within the Articles of Association for eligibility as if they were Trustees of the Trust, with the exception that Student Governors need not be 18.

Governors of the school must declare conflicts of interest in accordance with the Articles of Association and Trust policy as if they were Trustees of the Trust.

The LGB will meet at least 3 times per year.

Meetings of the LGB will be quorate if 5 or one-half of Governors are present (whichever is the greater); this provision applies to every part of the meeting.

Each Governor shall have one vote and shall be able to vote by proxy if they have notified the Chair in advance of their views. All decisions require a majority of the persons present and entitled to vote. The Chair will have a second and casting vote if necessary. Resolutions can be passed in writing, signed by all eligible Governors, and this will be as effective as if the resolution had been passed at a meeting.

Chair and Vice-Chair: Elected by the LGB at the first meeting each school year. The Chair and Vice-Chair must not be employees of the Trust. It is expected that an individual would be Chair for no longer than 8 years other than in exceptional circumstances specifically approved by the Trustees.

The clerk for the LGB will be appointed by the Board of Trustees.

Appendix Four: Expectations of Members, Trustees, and Governors

The Role of a Member

The Members are the guardians of the constitution and charitable object of the Academy Trust.

The Members are guarantors of the Academy Trust (liable for up to £10 if the Trust becomes insolvent).

Their main role is to appoint (and, if necessary, remove) Trustees, but they also have to approve certain decisions in accordance with company law, such as changes to the name of the Academy Trust and the Articles of Association.

Number of Members

In accordance with DfE policy, the Trust intends to have five Members, save for any periods between one Member leaving and a new Member joining. In accordance with the Articles (Article 12):

- Imperial College shall be entitled to appoint one Member; and
- The Chair of the Board of Trustees shall be a Member.

Members do not have a set Term of Office (except the individual who is a Member by virtue of being the Chair of Trustees who is only a Member as long as they hold that role).

Appointment of Members

When the Members collectively or Imperial College are appointing Member(s), they shall seek individuals who meet the Person Specification set out below, and they may specify particular skills or experiences that would enhance the capacity and expertise of the Members overall. The recruitment process shall reflect the commitment of the Trust to equality, diversity and inclusion within its governance arrangements as set out at the beginning of Appendix 2.

Where there is a vacancy or a need to appoint Member(s) and there is no known suitable candidate (someone who has sufficient knowledge of the Trust yet is independent from its Board of Trustees and Senior Leadership Team), the Search and Governance Committee will consider the most appropriate process for raising awareness of the role and evaluating potential individuals.

Obligations of Members (or those representing corporate Members)

To use their skills, knowledge, and experience to:

1. Ensure that Members are actively involved in their decision making, including that General Meetings are quorate, and that Members who are inactive and so hinder the ability of Members to act are removed;
2. Appoint additional suitable individuals as Members in accordance with the Articles of Association to ensure that there are at least five Members. Where there is a vacancy amongst the Members, the Members shall consult with the Board of Trustees about the skills / experience / knowledge that a new Member should have given the needs and priorities of the Academy Trust prior to making any appointment;
3. Remove Members in accordance with Article 16 of the Articles of Association, in accordance with other provisions of the Articles (such as Article 12 requiring there to be not less than three members, and Article 12A which prevents any employee being a Member) and in accordance with prevailing DfE policy;

4. Appoint individuals as Trustees in accordance with the Articles of Association who bring skills, knowledge and / or experience to the Board of Trustees that will improve the ability of the Board to lead the Trust effectively. When there is a vacancy for a Member appointed Trustee, the Board will undertake a skills and experience audit, identify the skills / experience desired in a new Trustee in order for the Board to have appropriate skills to meet its obligations / responsibilities and to deliver the medium term strategy for the Trust, and identify a suitable shortlist of candidates. The Members will then interview and appoint the individual that they consider to be most appropriate;
5. Remove Member appointed Trustees where they cease to be eligible to remain as Trustees in accordance with the Articles of Association;
6. Review performance of the Board of Trustees, including Member appointed Trustees, and challenge, and if necessary remove, Member appointed Trustees where those individuals have not, in accordance with the Articles or in the reasonable opinion of the Members, contributed sufficiently to the leadership of the Trust;
7. Consider requests from the Board for decisions reserved to Members (such as changing the name of the Trust, changing the Articles of Association of the Trust); and
8. Challenge the strategy and performance of the Board through General Meetings.

Requirements of Members (or those representing corporate Members)

The five requirements of Members are to:

2. To understand the requirements of the Member role and appoint suitable individuals as Members, or remove Members if necessary;
3. To understand the requirements of the Trustee role and appoint suitable individuals as Member appointed Trustees, or remove Member appointed Trustees if necessary. Members are expected to take account of the skills, knowledge and experience already on the Board when appointing Trustees, and also to consider the skills that are most necessary in order to deliver the strategy of the Trust;
4. To attend General Meetings, and ensure that they have read any associated reports in advance and so are able to contribute effectively; and
5. To be involved in other processes that require Member decisions, whether by General Meeting or written resolution.

Likely Time Commitment for Members (or those representing corporate Members)

The Board of Trustees is accountable for the performance of the Trust. It is responsible for the leadership of the Trust, and for establishing delegations to LGBs and to Headteachers for the day to day operational management of the schools within the Trust.

The Terms of Reference for the Board of Trustees, including decisions that the Board will retain responsibility for, is provided in Appendix Two.

The Board will ensure that it exercises reasonable skill and care in carrying out its duties.

The role of a Trustee is not to manage operations – that is the role of senior staff; the role of Trustees is to set strategy and hold senior staff to account for delivery of that strategy and performance (including compliance).

The Board of Trustees is a corporate body, which means:

- No Trustee can act on their own without proper authority from the Board of Trustees;
- All Trustees carry equal and collective responsibility for decisions made; and
- The overriding concern of all Trustees is to the success of the Trust overall.

Obligations of Trustees

It is important that Trustees understand their responsibilities under company and charity law, as well as the role of being the legal Governing Body for all schools within the Trust. The responsibilities under company and charity law are summarised in paragraph 12 of the Scheme of Delegation.

The latest version of the DfE 'Governance Handbook' (<https://www.gov.uk/government/publications/governance-handbook>) identifies the three key roles of the Governing Body as being:

The Role of a Governor

The individuals on a Local Governing Body are called Governors (while the individuals on the Board of Trustees are called Trustees).

The Local Governing Body is collectively accountable to the Trustees for the performance of the school that it oversees, and is accountable for decisions that it makes under delegated authority from the Trustees.

The Terms of Reference for a Local Governing Body, including the purpose of the LGB, is provided in Appendix Two.

The role of a Governor is not to:

- Manage operations – that is the role of the Headteacher and senior staff; the role of Governors is to set strategy and hold the Headteacher to account for delivery of that strategy and performance.
- Assess the quality of teaching, or the quality of individual staff – that is the role of the Headteacher through teaching and learning and performance management processes; the role of Governors is to ensure that students are making appropriate progress and that educational and HR policies are appropriate and being implemented.

Appendix Five: Decision and Responsibility Matrix

This Appendix sets out significant decisions and responsibilities. For each thematic section, text introduces the philosophy and ethos of the Trust, which sets the context for the subsequent decisions / accountabilities.

The key to the table is:

Mbrs – Members of the Multi Academy Trust

BoT – Board of Trustees or a committee with delegated powers

LGB – Local Governing Body with delegated powers

AO – Accounting Officer

HT – Principal / Headteacher of an academy within the Trust

CFO – Chief Finance Officer via the Accounting Officer

A = Accountable via delegated powers from Board of Trustees

R = Responsible for undertaking the activity and reporting to the accountable individual / Committee

C = Consulted

I = Informed

Note: Actions taken by a properly constituted committee, or delegated to an individual director or to CEO / Headteacher, are taken on behalf of the Board of Trustees.

Governance

The Board is accountable for all decisions of the Trust, and the performance of all schools within the Trust. The AO is accountable to the Board for the effective use of public funds. Each LGB and Headteacher is responsible for the performance of their school(s).

The Board of Trustees approves the Scheme of Delegation for the Trust, and this details the committee structure along with terms of reference and membership, and outlines who is able to make what decisions (including approving policies). The Scheme of Delegation is reviewed at least annually. The Scheme of Delegation allows for the Trustees to vary the delegation to each LGB or office holder in response to the performance of and risk associated with that school.

Each committee (such as Board or LGB) elects its own chair and determines its detailed working arrangements within the framework set by the Scheme of Delegation.
